CAREER MEDICAL COLLEGE (CMC)

A glimpse of the latest technology with our excellent facilities

The CMC is run and established by **Career Convent Educational & Charitable Trust** in Lucknow on 40 acres of land, which is one of the finest institutions of medical training. The hospital is equipped with 400 teaching beds with state-of-the-art operation theatres, intensive care beds (20 Nos.), round the clock high-tech trauma care facility. The trust endeavors to provide free healthcare services to poor and needy patients serving all sections of society. Separate Rural & Urban health training centers are provided to impart field-practice training to medical students and helping needy people nearby and in remote areas. Further, State of UP has issued a Letter of intent (LOI) to the Trust to establish **Career University**.

The **CDC** offers opportunities which are difficult to be found anywhere else. This is an institution involved in a rich amalgamation of scientific acumen and comprehensive dental care service. At this institution, we believe in educating the students to develop a good patient relationship, efficiently manage a dental office, design a good treatment plan and utilize the state-of-the-art materials and techniques. Our goal is to supplement the existing pool of dental and medical knowledge with an intention to promote public health awareness. We strive to educate our students with a broader vision who will play a leading role in oral health care in the next millennium.
